

4-Rivers USBC Association (No. 81204)
Official Averages for the 2011-12 Season

This document contains the names and official averages for ALL adult and youth members in 4-Rivers USBC Association during the 2011-12 bowling season. To find a bowler, a bowler's USBC ID number, and/or a bowler's average(s) for 21 or more games bowled in a 2011-12 sanctioned league(s), you need only to follow the alphabetical Adult Membership and Youth Membership listings in this document. The bowler's 2011-12 league average(s) will appear beside their USBC ID number and is followed by the number of games bowled in each league. A bowler's highest 2011-12 average is shown first in this document and followed by other averages in highest to lowest order.

EXAMPLE:

<u>Name</u>	<u>USBC ID</u>	<u>Avg</u>	<u>Games</u>	<u>League</u>
Abbott, Thomas W	9154-5096	144	78	OL001
Anderson, Henry C	9154-6784	173	99	SB050
		170	75	SB031

These names and averages in this document have been certified to us by the league secretaries. If there is any discrepancy, it must be reported to us immediately and any correction must be certified by the league secretary. The 4-Rivers USBC Association accepts no responsibility for errors, but places the responsibility on the individual bowler to use the correct average in a case it has been incorrectly listed in this document, as reported to us through the league secretary.

At the end of this document we have included the listing of 2011-12 sanctioned leagues certified by 4-Rivers USBC Association. Matching a League code to the listing will identify the league's name, sanction number, bowling day and time, and bowling center information.

This document has been prepared, distributed and posted for the convenience of the Proprietors, League Secretaries and Officers, Tournament Directors and Membership within 4-Rivers USBC Association. A bowler's highest 2011-12 average should be verified by using bowl.com where ALL sanctioned league averages outside of the 4-Rivers USBC Association should be posted.
